Q and A about BAND at Berry MS

Do I have to know anything about music to join band? Most students who start band have little or no prior musical training. We start them from “scratch” in all phases. Those students with former training will find it an aid in their advancement.

Who will be in the band? Your friends and fellow classmates will join you in what will be some of the most exciting times of your school days. Many of our band students are among the leaders in academic achievement, school spirit, and club activities.

What are the advantages of being in the Band? The most obvious is learning to play an instrument for your own pleasure. Other advantages include: Concerts, Contests, Trips, Parties, Six Flags and the opportunity to join the John Horn Jaguar Band.

What instruments do I have to choose from and how do I choose? In the Spring, we will host a Band Fair at John Horn High School. This will be an opportunity for your child to try out many different instruments and select one best suited to them.

In Middle School, Beginning Band students are divided into classes which include:

Woodwinds: Flute, Clarinet, Saxophone, Oboe and Bassoon

Brass: Trumpet, French Horn, Trombone, Baritone and Tuba

Percussion: Snare Drum, Bells, Xylophone, Timpani, Bass Drum & Cymbals

www.jaguarband.com/berrymms.htm

What do you want to play?

**FLUTE, OBOE, BASSOON, CLARINET,
SAXOPHONE, TRUMPET, FRENCH HORN,
TROMBONE, BARITONE, TUBA,
PERCUSSION**

What does the band director look for in helping me select an instrument? We look for a good attitude, a desire to be in the Band, and a willingness to work and to have fun! We also look at teeth and mouth formation, finger coordination and the Band’s instrumentation needs.

How do I get an instrument? At band night, we will give you all the information you will need to purchase an instrument from a local music dealer. Most parents rent an instrument with an option to buy at a later date.

Are used instruments acceptable in the Band? Some are. If you wish to purchase or otherwise obtain a used instrument for your child, please let us help you evaluate it before you invest. An inferior quality instrument will only handicap your child and could possibly cost you more in repairs than the instrument is worth.

Are there any school instruments available? Some of the large and more expensive instruments are provided by the school such as Tubas, Bassoons, Oboes, Baritones, and French Horns. These instruments are owned by Mesquite ISD and are available for use. Students that play these instruments are required to purchase mouthpieces, reeds, and care kits.

For more information on the different instruments go to
